

TALLYGENICOM CUSTOMERS RECEIVE THE BEST OF INFOCARE
Infocare Appointed as a TallyGenicom Service Provider for Finland

TallyGenicom, a leading provider of business printers, today announced that it has appointed Nordic IT services consultancy InfoCare Finland Oy Ab, to provide printer services to the TallyGenicom customer base in Finland. Employing over 230 employees across 14 sites across Finland, InfoCare is the ideal partner for TallyGenicom as it is able to respond quickly to business critical service calls. The company has a strong presence in the retail, shipping, government and healthcare markets, and due to its strategically placed offices, InfoCare is able to provide efficient cover for TallyGenicom printers from Helsinki to Lapland.

“TallyGenicom products are well known for their suitability for business critical applications in retail, government and healthcare markets. We are in a great position to serve TallyGenicom in Finland,” says InfoCare’s Sales Manager, Ari Puustinen. “We will work with TallyGenicom to deliver a co-ordinated and quality assured service concept that will simplify daily operations for the end user.”

“We spent a lot of time seeking the right kind of service provider in Finland and we felt that InfoCare’s approach to business and customer care is similar to ours,” explains TallyGenicom’s Technical Services Manager, Nick Allen. “InfoCare has the experience and resources to confidently maintain TallyGenicom printers and will be working closely with our distribution network. We look forward to a very successful partnership.”
